## Background and Experience

Trium was founded in 2016 as non-governmental and non-profit organisation in order to promote, develop and improve the quality of life, strengthen human resources through organisation of educations, seminars and workshops in cooperation with educational institutions, to promote cooperation between all stakeholders who contribute to the development of tourism, to encourage, coordinate and organise events that contribute to the enrichment of tourist offer, to promote and protect cultural and historic values, to promote cross border cooperation and international friendships, to apply projects to international, national, regional and local funds, to give advisory and technical support, to develop and implement professional studies, strategies and programs, to promote conservation of nature and environment.

In accordance with the objectives, association is active in the field of democratic political culture; promotion of social solidarity, intercultural dialogue, promotion of good governance, development of civil society, development of the local community; tourism; culture and art; cultural heritage, protection of cultural landscapes and intangible cultural goods, performing arts (dance, music, theatre, amateurism, visual arts, design and architecture, photography, crafts), events and festivals; international cooperation; democratic transition, human rights, education, international friendships, science and research, lifelong learning and adult education, non-institutional education, healthy lifestyles, international cooperation and mobility in education, social sciences, scientific research, organisation of domestic and international scientific groups, schools, congresses and seminars, publishing of scientific and professional publications; sustainable and rural development, urban development, planning sustainable economic development, sustainable tourism, conservation of nature, preservation of specially valuable natural areas, raising awareness and waste reduction activities and increase of recycling, energy efficiency and renewable energy sources.

Trium was founded by a group of enthusiastic people with master's degrees in Economy and Tourism and years of experience on projects on local, regional and national level. Founders have participated in youth exchanges and training courses, and also worked on several projects and partnerships. We have experience in organising cultural and sports events in cooperation with local administration, NGO's and sport clubs, in order to promote, among other things, the significance of living an active and healthy life.

Association activities include promotion of cooperation with individuals and organisations who are directly or indirectly involved in tourism at the local, regional and international level; developing synergies and linkages between all stakeholders involved in tourism development; exploitation and developing existing potentials for tourism development; encouraging, coordinating and organising cultural, artistic and other events; strengthening human resources for project implementation and more efficient use of resources in tourism; promoting and protecting the customary, historical and cultural values ; cooperating with organisations and institutions supporting the work of the association, promoting cross-border cooperation and international friendships; organising educations, workshops, seminars for young people and adults (lifelong learning); enabling artistic expression of individuals and groups in all areas of life through the organisation and realisation of exhibitions and events, cooperation with educational institutions and authorities for the purpose of professional education of its members and the members of the local community; developing and implementing professional studies, strategies and programs; promoting the idea of preserving nature and the environment through organising lectures, forums, workshops and exhibitions.

Trium has so far organised 4 Youth Exchanges for which it received high marks upon completion of the project; YE Mediart 97/100 in 2019., YE EU4U 77/100 in 2020., YE Echo 90/100 in 2021., YE Kodama 94/100 in 2023.. YE topics covered are awareness of the relationship between artistic fields and areas from everyday life that are closely conditioned by the influence of the media and the importance of media literacy, democracy, environmental protection and sustainable development.

#### What are the skills and expertise of key staff/persons involved in this application?

Lana Krnić studied at the Faculty of Tourism and Hospitality Management, graduated in 2006 and earned a master's degree in economics. She will be responsible for the logistics of this project. Acting as the President, participating in activities on the local level that include encouragement of youth in the decision making process and actively including themselves to take action and thus pointing out that the direct action of an individual can positively change the society. She has participated in Leonardo Da Vinci programme, several youth exchanges and training courses and has a years of experience in organisational and administrative positions. Lana has experience in organising various cultural and family events and creative workshops; she's long-time active member of ULAK (Association of visual artists) as amateur painter exhibiting at several solo & group exhibitions and organising the same; she has experience working in the non-profit civil sector as a co-founder and President of Trium, as a member of NGO Crokultur (2014-, working with preschool and school children on topic of historical and cultural heritage) and as a program coordinator of KA-MATRIX association (participating in numerous local-level activities encouraging youth in decision-making and active participation in society). She also works as a tourist travel guide on youth excursions.
